TIME: 5:30 PM - 8:30 PM

COURSE DESCRIPTION: Whether you're gazing skyward through conifer branches or peering down into valleys below, Rocky Mountain National Park is a beautiful and curious place teeming with wild life. Often when visiting the mountains, we allow ourselves to be swept up by the high-country views and forget about the inhabitants that make this area so unique. In *Wildlife of Rocky*, join our naturalist-guide on a 14-passanger mini-bus or 12-passenger van as we seek out the critters of Rocky Mountain National Park, both small and large. We will spend the evening in the park's most distinctive and breathtaking locations – Horseshoe Park, Alluvial Fan, Moraine Park, and more -- learning about the wildlife that makes this region so fascinating.

Note: Admission into Rocky Mountain National Park is included in the registration fee.
