

ROCKY MOUNTAIN CONSERVANCY POSITION DESCRIPTION

JOB OVERVIEW

Position Title: Conservation Corps Field Coordinator

Reports To: Conservation Corps Manager

Position Type: Exempt, Seasonal, no potential for promotion within the season

Compensation: \$779/week

Benefits: Seasonal housing, gear and uniform provided, access to a company vehicle

Dates: Mid-May through Mid-August (Possible extension through Fall)

JOB DESCRIPTION

Position Summary: The Field Coordinator will provide leadership and support for several (5-8) crews of approximately 5-6 young adults (18-25 years old). The Field Coordinator will assist with planning and implementation of the Conservation Corps season. Throughout the season, the Field Coordinator will be responsible for preparing trainings, visiting the crews in the field, updating the program manager on crew progress and status, resolving and reporting on conflicts in the field, and providing partnership support between the crews and the agency supervisors (USDA Forest Service and National Park Service). The Field Coordinator may perform the duties of this position throughout areas in Northern Colorado, including Rocky Mountain National Park, the Rawah Wilderness, Fort Collins area, Indian Peaks Wilderness, and Grand County. The position requires heavy physical labor for extended periods of time in the field and significant travel time in a Conservancy vehicle.

The Field Coordinator will be required to carry a backpack with personal and group essentials including heavy trail tools for extended periods of time or long distances. Gear, uniforms, access to a company vehicle, and housing are provided.

Essential Duties/Responsibilities

Field Coordinator will:

1. Assist with pre-season training for Conservation Corps
2. Assist with pre-season set up, packing, and coordination of gear
3. Model appropriate judgment and leadership skills for members
4. Work in the field providing logistical support for crews
5. Serve as Crew Leader (with a crew 24/7), as needed
6. Conduct regular meetings with Crew Leaders (and members, as needed)
7. Collect paperwork from crews to be turned into RMC-CC Admin Staff
8. Organize, clean, distribute, and collect crew gear
9. Administer crew paperwork

10. Report regularly to the RMC-CC Admin staff
11. Support the physical and emotional well-being of all corps members;
12. Maintain schedule of crew visits;
13. Plan, organize and facilitate supplemental training and education;
14. Perform duties expected of any corps member including trail work, field planning, cleanup/setup, and other day-to-day duties while on crew;
15. Plan and coordinate crew activities and travel with Program Manager;
16. Participate and help facilitate orientation and training;
17. Adhere to Rocky Mountain Conservancy Staff Handbook;
18. Enforce rules and regulations as specified in the RMC-CC Handbook;
19. Enforce rules and regulations as specified by Conservancy, State and County for Covid-19 safety and risk management
20. Implement and adhere to AmeriCorps policies related to behavior, reporting (timesheets and trail reports) and all-other aspects of the Member Service Agreement.

Other Duties/Responsibilities

Field Coordinator will:

1. Attend Rocky Mountain Conservancy staff meetings, as schedule allows;
2. May support Community Volunteer Stewardship Events;
3. Provide effective communication with project partners;
4. Support AmeriCorps program administration.

Supervisory Duties

Field Coordinator will:

1. Oversee Conservation Corps crews (5-6 members) during site visits;
2. Support volunteer supervision during community volunteer stewardship events, if possible with covid-19 restrictions

REQUIREMENTS

1. Must be a US Citizen, US National, or Lawful Permanent Resident Alien of the US;
2. Must pass the National Sex Offender Public Registry and criminal history check defined as no positive hits on the NSOPR and no history of violent offenses on the criminal history check;
3. Must successfully complete physician's review;
4. Clean driving record (Driver's License background check required).

JOB QUALIFICATIONS

Knowledge, Skill and Ability

1. Familiarity with corps model and conservation skills;
2. Strong background in trail construction and maintenance techniques;
3. Ability to clearly and effectively communicate written and orally;
4. Sound judgment and ability to model and implement policies and procedures in the field;
5. Proficiency in low impact camping techniques (LNT Ethics);
6. Strong organizational skills, ability to work independently, and self-motivated;
7. Appropriate risk management skills;

8. Ability to lead groups of diverse youth (ages 18-25);

Computer Skills

1. Must have basic computer skills and be competent with Microsoft Office applications.

Education or Formal Training

1. Wilderness First Aid certification or the ability to obtain by start date.

Experience

1. At least one year of experience in Corps programs or similar field.
2. At least one season of experience leading conservation activities (i.e. trail building, vegetation management, historic preservation, etc).
3. At least one year of experience working with youth and young adults.

Material and Equipment Directly Used

1. Daily use of Conservancy, USFS, and NPS vehicles, including 4x4 vehicles, vans, and 14-passenger buses.
2. Frequent use of hand and power tools. These include, but are not limited to: pulaskis, shovels, mcleods, various hammers, pick-mattocks, crosscut saws, hand saws, rock bars, hoes, power drills, power saws, power sanders, and wheelbarrows.
3. Frequent work around heavy machinery. These include, but are not limited to: mini excavators, dump trucks, bobcats, plate compacters, and chain saws.
4. Occasional work with livestock, including horses, mules, and llamas.

Working Environment/Physical Activities

1. Long (10-hour) days of shoveling, digging and swinging heavy tools repetitively;
2. Heavy lifting of up to 50 pounds;
3. Walking and working on steep or uneven terrain;
4. Carrying a 40 lb. backpack up to 5 miles;
5. Working in extreme weather conditions;
6. Working, eating, and camping outdoors in all weather conditions.

NOTE: This job description is not intended to be an exhaustive list of all duties, responsibilities or qualifications associated with the job.
