

# COURSE DESCRIPTIONS & PRICING

## Educational Wildlife and Elk Tours

Group Size: 10 max

Price: \$600 (\$50 off for members)

8:00 am- 11:00 am *or* 3:00- 6:00 pm

### Overview

Rocky Mountain National Park is lively and full of energy during the fall months, as Elk begin to rut and the Aspens turn to a fire yellow.

Sweeping views of valleys turning to 10,000 foot peaks are the backdrop to some of the most beautiful wildlife and flora our country has to offer. This bus tour will bring your family or group through the Park with multiple stops for educational outings and short hikes.

Tours available September & October.

### NOTICE

*Due to the ever evolving nature of COVID-19, please have a mask with you at all times. Depending on the level and direction from the county and state, masks may be mandatory on the bus and while inside buildings.*

## Custom Field Institute Courses

Group Size: 10 max

Starting Rates:

Less than 4 hours \$250

More than 4 hours \$500

(\$50 off for members)

### Overview

Is there a specific topic you and your group are interested in diving into? By requesting a custom course, we will match you with an expert on the topic and bring you a unique hands-on learning experience. These opportunities include transportation into Rocky Mountain National Park, or other public lands, as well as instruction from our Field Institute.

## Speaking Engagement

Group Size: your audience

Price: \$200/hour

### Overview

Let us come to you! We bring the hands on learning to your group by providing the instructor, the material, and visual aids.
